Residents 'sickened' by flats development plans

DEBRA FOX

HOMEOWNERS are campaigning against plans for affordable housing which will "ruin their lives" if they are built.

"Sickened, devastated and disgusted" are just some of the words used by residents on Haverhill's Howard Close to describe their feelings on a flat development, which could be built on nearby land.

A planning application, for 15 flats and 15 parking spaces, is currently before St Edmundsbury Borough Council.

If approved, the homes will be built on Anglian Place, Burton End.

Residents have expressed their heart-break over the proposed flats, which they say would directly overlook their gardens and allow occupants to see into their homes.

Sue Lines, who has lived on the end of Howard Close for seven years, said: "It makes me feel sick knowing this might go ahead."

"I would seriously contemplate moving." A previous application for the flats was withdrawn.

As previously reported, it has now been amended and resubmitted.

Last month, Haverhill Town Council objected to the application at a planning committee meeting.

The application has been submitted by Prime Crest Homes, on behalf of Havebury Housing Partnership.

Two other blocks of flats have already been built on the site.

GETTING CREATIVE: Poppy making at Haverhill Library to commemorate 100 years since the First World War started. The creations will form part of a poppy field, being made by Haverhill library.
Picture: David Johnson

Children remember fallen soldiers

FELT, sugar paper and tissue were the tools of choice in a special crafts session for Remembrance Day. Children and parents attended Haverhill Library on Friday to create their own poppies, to form part of a display. Ten children attended the hour-long event and made a flower in memory of fallen

servicemen. The event tied in with the centenary of the First World War, commemorated this year. It was organised by Audrey Woodley, enquiry officer at the library. She said: "They enjoyed it, and would like to see more crafts."

The library will also host a poppy wreath session on November 9. Little ones will be invited to make their own wreaths and add them to the library's display. The poppies are currently in the children's library. For more information, contact the library on 01440 702638.

NEIGHBOURS: The new flats will be visible from the right of the double garage, above. Sue Weston, Sue Lines and Margot Robinson below.

PRIVACY will be violated, wildlife will be destroyed and landscape will be flooded, according to residents fighting plans for new flats.

Residents living on Haverhill's Howard Close told the *Weekly News* that their lives have already been "ruined" following the construction of an existing block of flats on Anglian Place.

To build another block of flats, they say, is "beyond a joke".

Two blocks of affordable flats have already been built on the site, which is off the town's Burton End.

Now, planning permission for a third block is being sought.

Residents living in three-storey town houses near to the development site say they have had to buy blinds, switch bedrooms and keep their curtains drawn to maintain their privacy.

Sue Lines, Margot Robinson and Sue Weston will all be affected in different ways by the proposed development.

If the new flats go ahead, every room in Mrs Robinson's home, as well as her garden, will be overlooked by flats from the existing and new blocks, she says.

"We feel we are being railroaded a bit. We spent a lot of money on our homes," she said.

Mrs Weston, 50, has raised concerns about how the nearby green space, which is prone to flooding, will be

DEBRA FOX

affected by the new homes and the impact the development will have on wildlife.

When the water builds up it runs down on to Burton End, she said.

She added: "If they have to build on the land they should build bungalows or allotments."

The new development will be only three metres away from Mrs Lines' garden, she says.

The 57-year-old, who enjoys her morning coffee in the garden every day, says she will no longer be able to sit outside.

The women have also expressed concerns about potential residents of the flats, and their visitors, parking along the street, and using the private close as a cut through.

Residents living in the street, and also in nearby Rope Walk and the Old Pumping House, have also submitted formal objections to the borough council.

Speaking at a planning meeting last month, town councillor Ernie Goody proposed that the new homes be approved due to "many people" waiting

for affordable housing.

However, after visiting the site and receiving additional information, he said: "I now realise, after speaking to the residents and seeing the area of the proposed development that it would be the wrong development for the site."

A spokesman for Prime Crest said: "The proposal is for 15 one and two bed much-needed affordable flats on this vacant site at Burton End."

"We have carefully considered the comments raised by the town council, expressing local concern to the scheme and we have amended our proposals to mitigate those concerns which focussed on traffic generation, overlooking and the preservation of existing trees."

Suffolk County Highways have no objection on traffic issues.

"We have redesigned the layout to retain all existing trees and have addressed the issue of overlooking."

"We therefore believe that these revised proposals represent a well-considered development that will house 15 families on the local housing waiting list."

Homes evacuated after bin fire gas scare

RESIDENTS were evacuated from their homes on Sunday after a gas main was damaged.

Fire crews were called to reports of bins on fire in Haverhill's Chainey Pieces shortly before 9.40pm.

The blaze affected the side of the property and caused damage to a gas main.

Some of the streets' residents and some living in nearby Chantry Road, were evacuated while the area was made safe by engineers from National Grid Gas.

Families took refuge in the town's Salvation Army, on Chantry Road, before they were allowed back into their homes shortly after 11pm.

A spokeswoman for National Grid confirmed that they were called shortly after 10pm.

She said: "The gas service pipe – the pipe that takes gas from the gas main in the street to individual properties – had been damaged by the fire."

"A National Grid engineer cut off the gas supply to the property and made safe."

Neighbouring properties were checked, and no gas was found.

MP's call for A1307 help

A BUSY road linking Haverhill with Cambridge needs to be improved, the region's MP has said.

Matthew Hancock has spoken out about the state of the A1307 following the results of a traffic survey carried out on the route to assess traffic levels.

The work was done by Advanced Transport Research, on behalf of Cambridgeshire County Council and its partners.

So far, the draft results have been shared with key stakeholders.

The results show a sharp westbound peak in the morning and a broader eastbound peak in the afternoon, the MP has revealed.

"As it stands the A1307 is a highly dangerous road on which far too many tragic accidents occur," Mr Hancock said.

"Crucially, this recent report shows that the economic case is strong and that we should look further into dualling the A1307."

"All options do need to be considered to best unlock the growth that is currently hindered by the high volumes of traffic."

Villages on the A1307 find it difficult to access the road at peak times, and any expansion to Haverhill would make "an already difficult situation worse", he added.

A spokesman for Cambridgeshire County Council said that further analysis of the information is needed to identify the future options for improvement to the road, and support the area's ongoing growth.

Primary joins academy trust

A THIRD school has joined the Castle Partnership Academy Trust.

Burton End Primary School has converted to an academy this week as it joins the partnership, which also consists of Place Farm and Castle Manor Academies.

The schools have worked together for years to ensure the transition between primary and secondary school is seamless.

Pupils, staff and governors celebrated the new addition on Monday.

Madeline Vosper is head of school at Burton End.

She said: "Being an academy will help us to fulfil our vision and ensure that our children have the best possible education they can."

"We have already benefited greatly from working closely with staff and children at Place Farm and look forward to working even more closely in partnership."

The schools already do a "huge" amount of work together, Mrs Vosper said, and the school is "proud" to become part of the Castle Partnership Trust.

There are currently nursery spaces available for Burton End. Contact 01440 702376 for more information or to arrange a visit.

REACH to provide debt advice

A NEW money advice service has launched this week.

DEBRA FOX

REACH Community Projects, which provides Haverhill's food and furniture banks, is offering debt management advice.

The new scheme was launched on Monday.

Henry Wilson, projects director, said: "This project couldn't have come at a better time as the economy begins to improve, as debt is never very far away."

Debt "robs people of their dignity", Mr Wilson added, and the team will work to get to the root of the problem.

REACH'S Resource Centre, on Leiston Road, has new opening hours of 2pm until 5pm each weekday.

Appointments for money advice are initially running on Tuesday or Thursday mornings, but can be made at other times.

Cllr Roger André, town mayor, said: "Thank you, on behalf of our community."

Call 01440 268003 or visit the centre for more information and to make an appointment.

FULL OF FUN: Children enjoying the activities at Haverhill's Light Party.

Children's faces all lit up at church party

FAMILIES celebrated October 31 with a twist this year.

More than 20 children visited Haverhill Methodist Church on Hallowe'en to enjoy the town's Light Party.

Young people aged from 3 to 19 were invited to attend the celebration, which ran from 6pm until 9pm and cost £1.

Different activities, games and crafts were on offer for both

over and under 11s.

These included icing light biscuits, making light houses and having your face painted.

Children were also invited to discuss light and dark, and watch a video on the origins of Hallowe'en.

October 31 is an All Saints Day in the Christian church.

Each child was also given a gift bag to take home.

CUTE: An African Pygmy hedgehog.

Police plea for return of stolen baby hedgehog

DEBRA FOX

A YOUNG African Pygmy hedgehog has been stolen from a Haverhill pet shop.

The animal was taken from G L Petfoods, on the High Street, on October 28 between 12.30pm and 5pm.

Graham Ward, who owns the store, is appealing for the animal's safe return.

Mr Ward previously had two African Pygmy hedgehogs in the shop, which were worth £125 each.

Both hedgehogs, which were males, have been sold.

The third one, which was stolen, is a six-month-old female.

He said: "I am more concerned about its health and safety – I am not worried about the selling price."

The hedgehog needs a special diet, Mr Ward said, and certain measures need to be taken for it to be looked after correctly.

He said: "They need to have different foods – they are not the same as English hedgehogs."

The animals, which are being bred in the UK, are gaining popularity as house pets.

Rebecca Hadgraft, of the

APPEAL: The two hedgehogs which were sold at G L Petfoods.

National Exotic Hedgehog Rescue, said the hogs need to be kept in a certain type of cage – and at a warm temperature.

She said: "People see them and think 'oh, they're a cute and unusual pet' but there's so much involved in caring for them."

Dr Simone Bullion, of the Suffolk Wildlife Trust, said that the charity does not encourage breeding African Pygmies, as the indigenous British hedgehog is "in need of help".

She said: "We are concerned

about the decline of this native species so we wanted to address this by finding out where people are still seeing hedgehogs in Suffolk, or where they used to see them and no longer do so.

"We are hoping to identify hedgehog 'hotspots' where we can give advice and help target local action to improve gardens, parks, golf courses and other suitable habitats."

The charity is appealing for the public to log sightings of a hedgehog by visiting suffolk-wildlifetrust.org.

Call Haverhill Police on 101.

Stoptober is over – but there is still time to quit

HAVERHILL residents are being encouraged to take advantage of free stop smoking support.

Though the year's national Stoptober campaign is over, local people looking to kick the habit can still access a range of services.

Smokers who went 28 days

without a cigarette during the challenge are five times more likely to stay smoke free for good, Live Well Suffolk has said.

Steven Lee-Foster, director, said: "Stoptober is a great initiative to encourage people to give up, but just because the challenge is over doesn't

mean that smokers have to go it alone. If you're regretting not taking part this year it's not too late to quit – we can work with you to determine what the best way of quitting is going to be for you."

Yes, rubbish is a real problem in the town

WELL done Emily Perrett in last week's *Weekly News* for pointing out the litter problem.

I own dogs, three of them, and I manage to pick up every deposit they make. If I don't pass a poo bin it comes home with me and goes into my own bin.

I often walk my dogs over Puddlebrook, I drive up there and park in the car park by Homefield Road Vets (I live the other side of town).

Last week there were empty sports drink bottles and food wrappers, then once on the field you don't play dodge the poo you play dodge the Gaffer tape and other wrappings and bottles.

With the field having five football pitches I'm guessing most of the rubbish comes from the players and spectators and the Gaffer tape that is not on the ground can also be seen flapping in the wind half stuck to the goal posts.

The only answer is more bins – rubbish bins will do as bagged dog poo can go in these as well as it all goes to landfill. And place the bins in a sensible location ie. by the most common entrance/exit to a grassed area.

Let's all respect our town and its open spaces.

Thanks to the litter pick volunteers

I WOULD like to say a big thank you to all the helpers who gave up their Saturday morning on October 22 to help with the ONE Haverhill Community Ambassadors litter pick in Howe Road, Haverhill.

Seventeen people from the age of 7 upwards, including Castle Manor Academy students, arrived and helped to pick up litter from the skate park area and along the railway track.

It was a lovely bright day and many bags of rubbish were collected.

Thank you once again.

Live music in town next week at Shuttle

A SONGWRITER is bringing some live entertainment to Haverhill this winter.

Ollie Carter will perform at the town's Flying Shuttle pub on November 14 and December 11.

The musician, who has lived in Haverhill since 2008, will bring his own acoustic style to popular songs from artists including The Killers, Amy Winehouse and Bastille.

He said: "Growing up my parents used to play a lot of different music in the home. My mum played a lot of 60s bands like The Beatles and The Who and my dad played heavier stuff like T Rex."

The dad-of-two went on to teach himself guitar along with a friend.

Ollie previously played with Repertoire Dogs, a cover band who have played gigs at Haverhill Rovers and other acts.

He has toured with or supported a number of acts including Razorlight, Supergrass and James McCartney.

On each night, the music will start at around 8pm.

Ollie will play three 45 minute sets.

Entry is free. Search Ollie Carter Music on Facebook.

Family fun on fright night!

CHILDREN and parents had a good scare on Haverhill's annual fright night.

More than 3,000 people viewed the spook-tastic sights and sounds in East Town Park.

Families visited the pumpkin nursery, spotted the witches and enjoyed the fire garden and show.

Parents and little ones alike got into the true spirit of October 31 and donned their scariest costumes.

Colin Poole, town clerk, said: "I was very impressed with the community feel of the Hallowe'en Trail."

"It was really enjoyable to be involved such an upbeat event, where everyone was clearly having a ball."

GHOSTLY GAMES: Families enjoying the Hallowe'en Trail.

The snow wardens

A GROUP of good samaritans could lead Haverhill through next winter – if the town elects to join a county council scheme.

The Snow Warden programme, run by Suffolk County Council, invites towns and parishes across the region to sign up.

It relies wholly on volunteers, who are provided with all the equipment they need, to carry out specific tasks such as shovelling snow and gritting footpaths.

DEBRA FOX

Colin Poole, town clerk, said: "It's for volunteers to assist in keeping Haverhill going."

Mr Poole said, and the scheme is aimed at providing the community with a "better area" that does not rely on council resources alone.

Cllr Clive Turner said: "I think this is a great idea."

"Where I grew up this is the sort of thing people did for each other. It

would put people's minds at rest and gets some of the community engagement going.

"I am totally in favour of this."

Cllr Roger André, town mayor, suggested that the council looks at starting the scheme next winter. Mr Poole said that recruitment should take place during this winter.

The town clerk will now investigate the cost of getting involved, and what needs to be done to bring the scheme to fruition in 2015.

NEWS IN BRIEF

Bomb disposal unit called

THE bomb disposal unit from Colchester Troop attended a home in Haverhill following reports of a "device" found inside.

The unit was called on Tuesday at 1pm after a suspected item of munitions was found by an electrician, who was working in the loft of a house in Wratting Road.

Sgt Hayley Taplin found that it was an aircraft rocket, dating back to the 1960s.

The unit confirmed it was an inert training round, and did not contain any explosives. It was disposed of safely.

Sgt Taplin said: "The person did exactly the right thing in calling the police as soon as they found the rocket and not moving it. We would encourage people to call 999 if they do have concerns about any suspect items they find. It is better to be safe than sorry."

Memorial at RAF Wratting

AN OPEN service of remembrance is being held at RAF Wratting on Sunday.

Town council will not take on play area

DEBRA FOX

OWNERSHIP of a dilapidated play area will not be taken on by Haverhill Town Council.

At a meeting last week, councillors voted against taking on the play area near to the town's Burton Centre.

Suffolk County Council estimate it would cost around £30,000 to get the facility up to scratch.

The play area is currently locked due to a collapsed wall, which needs to be rebuilt to make it safe.

Speaking at the meeting, Colin Poole, town clerk, said: "There are a lot of issues to take on, but if it's not taken on there are others thinking about it."

"If it is not taken on [as a play area] they will seek a different use for it altogether."

The life of the playing field is about 10 years, Mr Poole added, so it would likely cost around £3,000 a year to maintain.

Councillors expressed concerns over reports of drug use on the site, and the problems it causes for both St Nicholas Hospice Care, and Haverhill Library, both based at the

RUN DOWN: The play area, which is near to the Burton Centre

Burton Centre.

Both facilities have supported the idea that the land is used for additional car parking for the centre.

At the meeting, Cllr Pat Hanlon called for the area to be made secure.

"I have seen youths playing in there even though it's locked," he said. "There's an issue there as far as making it safe. We should be saying something needs to be done very urgently."

Cllr Phillip French hailed the area as a "troubled site",

and a "major place" for drug use.

If no one is interested in keeping it as a play area, the county council will secure it and decide on another use themselves, Mr Poole added.

Councillors voted to refuse to take on ownership and maintenance of the play area.

The town council has also committed money to the creation of youth hub at the town's old magistrates' court building, and police station.

This is on the same road as the play area.

Will hospice take home millions?

A HOSPICE charity with an outreach centre in Haverhill has been shortlisted to win £50,000.

St Nicholas Hospice Care is one of six organisations in the east of England to be in the running for ITV's The People's Millions contest.

The charity will now make a bid for viewers' support, and the public will vote by phone for who takes home the money.

The Garden of Life project run by the hospice aims to revitalise outdoor space near to the centre, for use by the whole community.

This project will be featured as part of the charity's appeal.

Mandy Wilson, Burton Centre manager, said: "People in a thriving environment are likely to have a better quality of life. This is key to the care provided by the hospice. An outdoor space created in partnership with the community will provide patients and their carers with an area for peaceful reflection, helping to address their psychological and social needs."

Once the project is up and running, the charity plans to run a garden group for bereavement support, use the garden for open days and fundraisers, and run day therapy to include gardening activities.

Community groups already using the Burton Centre, including the Brownies and Haverhill Gateway Club, would also be permitted to use the area.

The appeal will be aired on November 26. Visit peoplesmillions.org.uk

Man jailed for two sex abuse charges

A FORMER Haverhill man has been jailed for two historic sexual offences against young girls.

Robert Roach, 72, was sentenced to two years yesterday at Ipswich Crown Court.

Originally Roach denied the offences but changed his pleas to guilty before his trial.

The court heard that Roach, when living in Haverhill, had asked a 14-year-old girl for a cuddle, said Christopher Paxton, prosecuting.

Roach took the girl's hand and placed it on his genitals. Mr Paxton said the girl did not know what to do and had remained silent until last year.

Later in Essex, Roach had asked a 12-year-old girl for a cuddle and then touched her breast. Mr Paxton said: "She froze. She didn't know what was happening."

The girl initially confided in friends and eventually her parents became aware of the allegation and challenged Roach who denied that anything inappropriate had taken place.

In 2013 following reporting of historic abuse allegations, the girl went to the police and made a complaint against Roach who was arrested.

When interviewed Roach denied the allegation and that made by the second girl.

Roach, now of Brewers Yard, Southminster, pleaded guilty to indecent assault against a girl aged 14 between October 18, 1980, and October 17, 1981. He also pleaded guilty to indecently assaulting a girl aged 12 between July 17, 2000 and September 10, 2000.

Mitigating, Joanne Eley said Roach accepted he committed the offences but had no memory of one. Roach had not committed any further offences of this type, she said. "We often see repeated behaviour in this sort of case but saying these are one-offs is not to minimise them," she said.

NEWS IN BRIEF

Valuable jewellery stolen

JEWELLERY worth more than £10,000 has been stolen from a home in Clare. The incident took place between 12am on October 18 and 2pm on October 26. The occupants of the property, in Ashen Road, were on holiday at the time. The stolen jewellery is worth more than £10,000. If you have any information contact DC Melanie Burns at Braintree CID on Essex Police 101.

Men bailed after arson arrests

THREE men have been bailed following an arson attack. The men, who are all from Haverhill and aged 19, 21, and 23, were arrested last Tuesday on suspicion of arson. They were bailed on Thursday until December 12. Police are appealing for witnesses to the incident, which took place at 3.45pm on Tuesday in Hawkedon. A stack of straw bales were deliberately set on fire in Rede Road, opposite the veterinary surgery. The stack was worth more than £11,000. Contact Haverhill Police on 101, or Crimestoppers anonymously on 0800 555111.

Suffolk to extend broadband

A SCHEME to provide faster broadband speeds has been extended. Suffolk County Council has approved plans to roll out the scheme further. A fibre network, provided by BT, will be delivered to parts of the country currently not receiving the service. Suffolk is the first local authority to extend their Broadband Delivery UK programme.

FUNDRAISERS: Withersfield Bowls Club hand over a cheque for £1,550 to Jonathan Hart.

Bowlers score for hospice charity

A SPORTS club has raised more than £1,000 for a hospice care charity. Withersfield Carpet Bowls Club has held a competition to raise as much money as possible for St Nicholas Hospice Care. Twenty-five teams battled to the end, and raised a total of £1,550. The club presented the money to Jonathan Hart, of St Nicholas Hospice Care, last week. Linda Cooke, club captain, said: "We are very grateful to all the clubs that brought so many raffle prizes on the day and to all the local businesses that also donated prizes or gave donations towards the cost of the food. "The biggest contribution was made by Karro Social Club, which donated the use of the hall for free and has done so for many years now, for which we are very grateful." The money was raised through entry fees, lunch sales, a raffle, a tombola and quiz sheets. Visit stnicholashospice.org.uk.

Help for heart scheme

A LIFE saving project to provide public access to defibrillators has taken a step forward.

Last week, Haverhill Town Council agreed to donate part of the money for a public access defibrillator for the Arts Centre, and apply to the British Heart Foundation for match funding through its scheme.

Once the machine has been ordered and delivered, awareness stickers detailing the locations and contact telephone numbers for

DEBRA FOX

where the town's defibrillators are will be displayed throughout the town centre.

The 'Haver-Heart' idea, proposed by Cllr Betty McLatchy, has been supported by councillors and residents alike.

She said: "[People] will be able to get access to the defibrillators very quickly – quicker than calling for a paramedic."

There is also a unit in each of the town's GP surgeries.

The councillor plans to organise a demonstration session once the new defibrillator has arrived, to give local people more confidence in using the equipment.

The Haverhill Community Wellbeing Fund, set up by Cllr McLatchy to fundraise for health equipment, has also been working to get an ultrasound machine for the town.

The community group has raised

almost £6,000 – and has decided to opt instead for a larger ultrasound machine, costing around £23,000.

"Last year 2,037 residents in Haverhill had ultrasound treatment and the smaller machine I have raised money for is not man enough for the job," Cllr McLatchy said.

"We are going to try for the bigger machine."

If the town succeeds in getting a machine, it will be put into the Clements Surgery.

John, 95, to march and remember

DEBRA FOX

A FORMER soldier who has lost his sight will march to the Cenotaph on Sunday.

John Blackmore, of Shudy Camps, will join more than 100 representatives of Blind Veterans UK on the march, which is part of the national Remembrance Day commemorations.

Mr Blackmore, 95, joined the Royal Artillery in February 1939. In 1942, he was transferred to the Royal Army Service Corps.

The veteran said: "In June 1942 I boarded the QE2 and headed towards Egypt.

"We stayed in a tented camp overlooking the Great Bitter Lakes, then excitement as we were on the move again - two days on the Egyptian railway, two days on a paddle steamer on the Nile and two days on the Sudanese railway to Khartoum.

"We soon learnt about some of the horrors that the Sudanese had to put up with."

Mr Blackmore was discharged in 1946 and returned to a farm in the village, which belonged to his father-in-law. He continued to work there with his wife and

MARCH: John Blackmore

family.

The 95-year-old was registered blind in 2012, and has been receiving support from Blind Veterans UK since 2013.

"Being able to go to the Remembrance Day parade with Blind Veterans UK makes me feel proud and sad, as I don't suppose I will get many more opportunities to go," he said.

"If it wasn't for the help and support of Blind Veterans UK I'm not sure I'd have the opportunity to go at all. It will be an amazing event for me and I am looking forward to it immensely."

More money for Suffolk's children

SUFFOLK County Council is one of 10 local authorities receiving a grant for children's services.

The money, from the Department of Education's Innovations project, is to improve the quality and effectiveness of the council's work with families.

Suffolk is being awarded £350,000. The money will be used to

implement Signs of Safety across children's services in the county.

Since the programme launched in February this year, more than 1,000 council staff and those from partner agencies have received initial training.

The department's grant is worth £4.7 million in total. Visit suffolk.gov.uk.

Fig jam, Stilton and candied walnut puff pastry bites

One of the nicest things about the festive period - side-line the presents for a moment - is getting together with old friends. These smart bites are the perfect accompaniment to a glass of mulled wine and a much-needed catch up. And with the recipe yielding 72 miniature pastries, there's no excuse not to have everyone over.

Method:

1. Preheat the oven to 220 degrees Celsius/gas mark seven. Line a large baking tray with grease-proof paper.
2. Lightly flour the worktop, and roll out the sheet of pastry. Cut the puff into three centimetre rounds using a cookie cutter, and transfer these onto the tray.
3. Whisk the egg yolk with a teaspoon of water, and brush each pastry lightly with the wash.
4. Place the pastries into the middle of the oven, and bake for 10 to 12 minutes until they are risen and golden in colour. Allow them to cool on a wire rack.
5. In a saucepan, bring the figs, water and rosemary to the boil. Lower the stove temperature until the solution simmers and stir frequently until the liquid reduces to a tablespoon's amount. Take the pan from the heat and add the chopped garlic, olive oil, Balsamic vinegar. Season to taste.
6. Transfer the fig mixture to a small bowl. Use a hand mixer to blend the figs until they are of a jam-like consistency.
7. Melt the butter in a small pan and stir in the brown sugar. Add the walnuts and cayenne

pepper. Fry lightly, adding a teaspoon of water whilst stirring regularly. After 10 minutes, transfer the glazed nuts on to parchment paper.

8. Using a small teaspoon spread the fig jam on top of the pastries. Dot on a small piece of Stilton, and add a candied walnut to garnish.

You will need:

A packet of shop-bought puff pastry
110g dried figs
¼ tsp dried rosemary or thyme
120ml water
1 tbs olive oil
1 ½ tsp Balsamic vinegar
A clove of garlic
135g Stilton cheese
30g chopped walnuts
½ tbs butter
½ tbs light brown sugar
Pinch of ground cayenne pepper
1 tsp water
1 egg yolk

Santa Brownies

Ok, we'll admit it: we cheated a little. Although using a pre-packaged brownie mix won't earn you too many points in the Great British Bakeoff tent, turning to Betty Crocker or her associates will save you time over the hectic festive period. These cute bites are simple to whip up for unannounced guests, but look impressive enough to take along to a party. And why not earn a few points with Santa by leaving one out for him on Christmas Eve?

Method:

1. Follow the instructions provided by the manufacturer to bake your brownies. Allow the tray to cool before shaping the cakes into rounds using a cookie cutter. Aim to get between 12 and 16 circles.
2. Beat the butter and mascarpone cheese together until light and creamy. Mix in the vanilla extract and salt, before adding the icing sugar a little at a time. Continue to beat the ingredients together. A little more icing sugar might be required in order to achieve a consistency that's stiff enough for it not to run off the top of the brownies.
3. Pipe a ring of buttercream on to the top of each brownie round. Alternatively, use a teaspoon to neatly apply a medium-thick layer.
4. Cut off the strawberry leaves, and push the flat base of each fruit on to an iced brownie.
5. To finish, add a daub of buttercream to the tip of each strawberry.

This recipe will make 12-16 brownies.

You will need:

A packet of chocolate brownie mix (Read the directions on the box to see whether you will need to add any other ingredients to the batter. Individual brands may differ but most require an egg, oil and water.)

12-16 small strawberries

For the vanilla mascarpone buttercream:

115g of unsalted butter
115g mascarpone cheese
385g icing sugar
2 tsp vanilla extract
A pinch of salt

A Closer Look At . . .

A Chippy's off the old block

CHIPPY'S is Haverhill's longest established family-run fish and chip shop. The four generations of the same family that have run the shop in town since the early 1950s have ensured that their combined expertise makes for a consistently delicious menu of takeaway treats.

With a mix of traditional friendly service and the most modern of cooking techniques and equipment, Chippy's offers a great selection of tasty cooked goods, whether you fancy a whole meal or just a snack. From its Strasbourg Square shop, or from the bespoke mobile vehicle that visits various locations different days of the week, Chippy's always has some-

thing to tickle the taste buds.

For example, they have a great range of fish, from cod, rock, skate, haddock and plaice, delivered fresh daily from Hull, Lowestoft and Grimsby. They are the only takeaway in Haverhill to offer fish and chips cooked in gluten-free batter – call for details.

As well as fish, they also have a whole selection of other choices to go with your chips. How about a burger (cheeseburgers, battered burgers, veggie burgers and kids' burgers are all available), range of kebabs, choice of wraps and spit-roast chicken, or the favourite southern fried, chicken in a bun

for chicken fans, or the ever-popular classic Pukka Pie?

There are great meal deals for children too, including kid-size portions of burger, kebab, chicken nuggets, and a range of sides like sausages, mushrooms, onion rings, mushy peas, curry sauce, pickled eggs and pickled onions.

Chippy's can also deliver to your door, for those evenings when you just don't want to leave the house, with only a modest delivery charge added to the great-value price of your meal.

Chippy's mobile Fish and Chip van can be found on Tuesday evening next to Westropes Garage in Steeple Bumpstead. On Wednesday it visits Balsham

(next to the bandstand), while on Thursday it visits Wheatsheaf Way in Linton. On Friday lunch-time it is the turn of Empire Yard in Haverhill. On Friday evenings it can be found next to the Spar shop in Kedington, and on Saturday on the Haverhill Market Square from 9am to 3.30pm. It looks like everyone will get a chance to sample the tasty fare from Chippy's!

The fish and chip shop itself is open from Tuesday to Thursday between 11.30am and 1.30pm, then from 4.30pm to 9pm. On Friday it opens from 11.30am to 1.30pm, and again from 4pm to 9pm, while it is open all day on Saturday.

CHIPPY'S: Haverhill's longest-running fish and chip shop – and not without good reason! Seen here is Glenn Edwards outside the Strasbourg Square premises.

John Mayall

WHEN John Mayall formed The Bluesbreakers in 1963, he had no idea he would end up being forever labelled as 'The Godfather of British Blues'.

And now he is undertaking a year-long world tour, with the UK leg including a stop at Cambridge Corn Exchange.

Yes, I hear you say, many artists tour the world and play the UK. There's nothing special in that. But, the thing about John is that he's 80 years old and will be 81 in the week after the UK tour ends.

"Age doesn't come into it," he tells me from his home in California. "I'm pretty healthy and as long as I've got the energy to perform, then I will. As long as I can play my music, that's the main thing."

From an early age, John was attracted to blues music. "I didn't really have a choice," he says. "The Blues is all about expressing feelings and I never learned to read or write music so I play what I feel."

The Bluesbreakers provided a 'leg-up' to some of this country's greatest guitar legends with Eric Clapton, Jack Bruce (who went on to form Cream); Mick Fleetwood, Peter Green and John McVie (later Fleetwood Mac), Andy Fraser (Free) and Mick Taylor (Rolling Stones) all being part of the band at one time or another.

Plenty of prodigious talent there, but does anybody stand out? John does not hesitate. "Obviously Eric Clapton is the first one that drew attention to our work, he was, and is, a great player and we shared a love of blues music."

MICHAEL HUTCHINSON grills legendary Blues singer John Mayall on his new album and touring at 80

Although some great guitarists graced the band, it is not John's main instrument. "No," he agrees. "The keyboard has always been my main instrument, but I tend to spread it about. Each song suggests to me what instrument I play on it."

John's current band consists of himself, Texan guitarist Rocky Athas and two Chicago-born musicians: bassist Greg Rzab and drummer Jay Davenport. Together, they have recorded *A Special Life*, John's first studio album in five years. The album contains some new compositions, as well as some old blues favourites.

"Everything I write is about real life," John explains. "I feel that I have had a special life – hence the title."

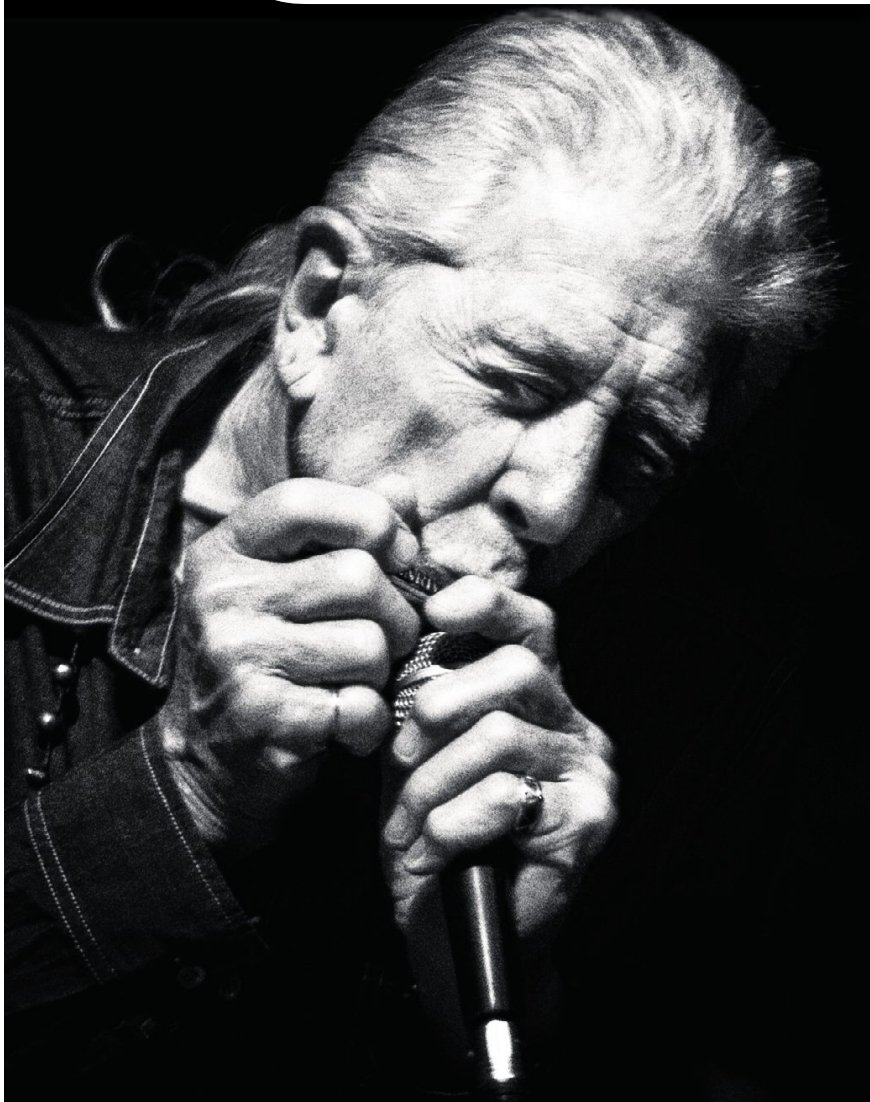

You can expect a smattering of new and old tracks spanning his career on the tour, which John promises will also be "special".

"We really do a different show every night," he says. "There's so much to choose from and they all have special meanings. We'll change maybe five songs from night to night."

"Of course, we'll try and include songs from the earliest to the latest; it'll be a good cross-section and," he adds with a grin. "It'll keep the band on its toes."

■ **John Mayall, Cambridge Corn Exchange, Sunday, November 9, at 7.30pm. Tickets £30-£32 from (01223) 357851 / cornex.co.uk.**

Twelfth Night

THE Stage recently slapped four stars on the English Touring Theatre and Sheffield Theatre's version of *Twelfth Night* and called it "fresh, other-worldly and disturbingly sensual". Sounds promising, doesn't it?

Shakespeare's classic tale of twins and mistaken identity takes place after an epic shipwreck during which siblings Viola and Sebastian are separated. Viola, presuming her brother is dead and gone, leaps at a chance to disguise herself as a young man named Cesario, with whom fancy Countess Olivia falls in love. The thing is, Cesario (Viola) is in love with a duke, and then Sebastian shows up and falls head over heels for Olivia.

As you'd expect, things become eloquently and beautifully messy. It is Shakespeare after all.

First performed in 1602, this latest production, which is coming to Cambridge Arts Theatre, is directed by the ever-provocative, deliberately controversial "enfant terrible" of British theatre, Jonathan Munby. A man obsessed with the visual elements of theatre, it should be quite spectacular to witness.

■ *Twelfth Night*, Cambridge Arts Theatre, until Saturday, November 8, at 7.45pm. Tickets £15 - £27 from (01223) 503333 or cambridgeartstheatre.purchase-tickets-online.co.uk.

Tale of human resolve at ADC

JOHN Steinbeck's seminal work, *Of Mice And Men*, gets another outing at the ADC this week. The Cambridge University Amateur Dramatic Club will spin the tale of migrant farmhands, the bright and ambitious George, and seemingly gentle giant Lennie, who together have big dreams of a better life: a small farm of their own beyond the Great Depression. We're told: "This is a tale of human resolve at its most strained." ■ *Of Mice and Men*, until Saturday, at 7.45pm. Tickets are £7-£12 from (01223) 300085.

Beating winter chill

WE may have had storms and rain, but while the ground's workable, gardeners should make the most of the time they have left to do the jobs which will give them a head start next year.

Whether it's revamping your lawn, dividing perennials, trimming hedges, clearing weeds or preparing the greenhouse for winter, you should leave no stone unturned if you want to get things in order for spring.

Don't delay in completing these tasks:

■ Plant new trees, shrubs and roses. These should benefit from the warm soil, which encourages root growth to develop quickly. You will need to give them a good soak when planting initially, but hopefully rain will play a part too. Just keep an eye on newly-planted specimens and don't allow them to dry out if we don't have wet weather. The plants should establish over the winter, giving you a head start for spring.

■ Revamp your lawn. With all the autumn rain we've had, the ground will be soft enough to either turf or reseed a new lawn, or repair an old

by Hannah Stephenson

one. If you are laying new turf, good preparation is the key, which will mean removing weeds and stones, digging over the soil adding compost or well-rotted farmyard manure and incorporating sharp grit on heavy soil, and levelling the area off to a fine tilth on which to sow seed or lay turf. It needs to be kept well watered, although the rain should help at this time of year, and seed needs to be protected from birds with netting, elevated by placing shortened twigs or canes around the area and securing the netting to them.

■ Divide perennials. Now is the

perfect time to split those plants which have become congested while they are dormant but before the ground becomes too hard to dig them out. Perennials which benefit from dividing every few years include hostas (but you'll need a knife to cut through the thick roots), cranesbill geranium, montbretia, rudbeckia, helenium and aster. You can also move plants which aren't happy in their allotted space to a spot where they may be happier.

■ Trim hedges, tidying evergreens which should remain neat until spring. Evergreens should not put on much new growth during winter, so should save you the job of pruning them in spring, when you may risk disturbing nesting birds. Deciduous shrubs can be pruned into winter. ■ Weed out the worst culprits. If you do a final weed before the perennial weeds disappear for the winter, you should hopefully make your task lighter when they come back in spring. Look out for ground elder, couch grass and bindweed, which are among the most pernicious weeds and try to dig up all the white roots

which, if left in the ground, will just sprout up again next year.

■ Increase your stock. Take hard-wood cuttings in late autumn to propagate shrubs including roses, willows, philadelphus, weigelas and dogwoods. Cut woody shoots for the base of the current year's growth, trim below a leaf joint and remove the tip to leave the cuttings 20-30cm (8-12in) long. Dip the base into hormone rooting powder, make a slit trench in a well cultivated but vacant area of the garden, push the cuttings in vertically, 30cm (12in) apart and firm the soil back around them, closing the trench. Water them in. This time next year they may have rooted enough to be moved.

■ Spruce up the greenhouse. If the weather's still sunny, there's no better time to wash the windows, remove the shading, clean the staging and do any structural repairs needed. Then you can insulate the greenhouse with bubble wrap in preparation for winter. A cleaner greenhouse may encourage you in the coming months to sow hardy annuals and perennials for the year to come.

Random acts of kindness for launch of 5-door Mini

TO celebrate the launch of the new Mini 5-door Hatch, Cambourne-based Mini dealership Elms Group surprised the residents of Cambridge, Bedford and Stansted with a series of 'Random Acts of Kindness'.

The 'Random Acts of Kindness' took place at Bedford station, Cambridge station and Audley End station and aimed to brighten up the day of weary commuters. Members of Elms Group jumped out of new Mini 5-door Hatches and surprised commuters, as they got off the train from London, by handing them treats and inviting them to the launch of the new Mini 5-door Hatch at Elms Group dealership.

Kirsty Holmes, of Bedford, said: "I had just got off the train from London after a long and tiring day at work and was really overwhelmed by the treats we were handed by the mystery lady, who jumped out of the blue Mini 5-dr. Everyone in the town is talking about it

LAUNCH FUN: For the crew and the five-door Mini at Elms Cambridge recently

and it really made my day! I was really impressed by the look of the new 5-door Mini so have booked in for a test drive."

The treats contained an invitation to an exclusive experience, where guests were amongst the first in the country to have the opportunity to get behind the wheel and test drive the all-new Mini 5-door

Hatch. The car is Mini's first 5-door Hatch incorporating the iconic features, including high-end fittings like innovative driver assistance systems and the very latest Connected facilities. But, with the addition of two extra doors, a larger boot area and more leg room in the back, it makes for a much more spacious ride.

Stefan Marino, brand manager at Elms Bedford Mini, says: "We really enjoyed treating the residents of Bedford to our 'Random Acts of Kindness' and inviting them to the Mini 5-door Hatch launch. It is a great car and we're certain that all of our customers, both seasoned enthusiasts and those new to the brand, will agree that it upholds Mini's usual high quality but with the added bonus of more space."

To find out more about the launch and your local Mini dealership call Elms Cambridge on (01954) 784500 or go to elmscambridge.co.uk.

POPULAR: Ford's Focus ST has always been in huge demand

New Focus ST on sale

THE new Focus ST 12-model range has gone on sale priced from £22,195 ahead of first deliveries due in February.

Showcasing a new sports exterior design and enhanced and improved interior for Ford's latest global performance car, two engines, three series and two bodystyles make up the hot new Focus ST range in the UK.

Both the 246bhp EcoBoost petrol and 181bhp TDCI diesel 2.0-litre engines are offered in the ST-1, ST-2 and ST-3 series. The

new Focus ST line-up continues the acclaimed estate bodystyle for both roomy loadspace and sporty handling, alongside the five-door hatch alternative.

The Ford Focus ST's powerful new 2.0-litre diesel develops 181bhp/400Nm and emits only 110g CO2/km. The CO2 output of the 2.0-litre 246bhp petrol engine is reduced by 10g to 159g.

Both petrol and diesel models offer Auto-Start-Stop for the first time.

"A relationship built to last. Your Ford is still running strong after 4+ years. We'll keep it that way."

Another triumph for Annand and Taylor pairing

JOHN Annand and Nigel Taylor defied the awful weather to retain Haverhill's ASCO Cup.

The club's final major of the year, a foursomes medal with a handicap limit of 18, saw 60 players taking part.

Annand and Taylor's round of nett 69 saw them finish two ahead of club captain Bob Spittle and Dave Pipe.

They took second on countback from Chris Briggs and Charlie Hudson after both scored 71.

David Roope was a comfortable winner in the IFF Challenge, finishing three points clear of his nearest rival on 40 and winning Division Two.

Jonathan Wiseman came second and Stewart Johnstone (36) third.

Lyndon Brown won Division One with 35 and Wymark Perry won Division Three with 33.

Frank Gooch emerged from a field of 87 to win the Medal and J Houchen Cup with a nett 67 round.

Gooch won Division Two as well, while Trevor Broomfield won Division One on 68 and Dave Hiscox carded 73

Champions: Haverhill's junior section, who won the annual match against the club's ladies.

to win Division Three.

Daniel Walker claimed a countback victory in the juniors' Autumn Shield. Walker edged out Fiona Stokes after both scored 74. Dan Bentley was third with 78.

The juniors also beat the club's

ladies in their annual match.

Sheila Price and Anna Fairhead won Haverhill's Daily Mail Foursomes qualifier with 30 points.

Donald Munroe, Keith Ebbage, Kane Mayes and Gavin Baily comprised the winning team on the Professional's

Day.

The Parks team, for scratch to 12 handicappers, defeated the Beaumont team, for 13 to 24 handicappers, by 13 holes in a pairs better ball match organised by Haverhill's seniors.

Rovers suffer Norwich defeat

DAN Cornwell's goal was not enough to prevent Haverhill Rovers slipping to a 2-1 loss at home to Thurlow Nunn League, Premier Division leaders Norwich United.

Cornwell had Rovers ahead in the 13th minute, latching onto Tyler Kemp's pass and beating two players before slotting home.

The away side equalised on 35 minutes when Steve Shipley nodded the ball to the edge of the area and Ross Durrant's low volley

skimmed across the surface before finding the bottom corner of the net.

Norwich scored the winning goal four minutes into the second half. Paul Cook put in a ball from the right and Mathew Blake beat keeper Jack Cherry for his 13th league goal.

The visitors were perhaps fortunate not to be reduced to 10 men on 66 minutes when Rovers felt goalkeeper Duncan McAnally had handled. Cornwell's attempted lob outside the area, but it was not given.

Haverhill Borough bowed out of the FA Vase as they lost 5-2 at AFC Dunstable in their first round tie.

The visitors were on the back foot early on, with Lee Hurkett clearing a goal-bound header off the line.

Dunstable took the lead in the 14th minute through Taishan Griffin, but only after Fabio Bufano's effort had been blocked by defender Ash Drew and then goalkeeper Charlie Turner.

Borough had John Milne

and Owen Longley forced off before half time due to injury, with Griffiths and Lorenzo Silvestri putting Dunstable three goals clear at the break.

The fourth was added from the penalty spot by Leon Simpson.

Martin Westcott bundled home the ball from a corner and Drew fired in from a Lee Hurkett free kick to narrow the gap and give Borough hope.

But Dunstable sealed the win when Jimmy Hartley grabbed their fifth late on.

Garbi delivers the goods for Aztecs

FINLEY Garbi's four goals helped Aztecs White under-11s maintain their good start to the season with a 9-0 win over Chatteris in Cambridgeshire Mini Soccer League 11B.

Bart Purser fired Aztecs into an early lead, with substitute Garbi grabbing two within 10 minutes of coming on.

Billy Hunt and Oliver Santry added one apiece and Garbi went on to complete his hat-trick before half time.

Garbi completed his haul after the restart, followed by Hunt's second and Freddie Hounsborne scoring.

Bury earn win over Haverhill

TRIES from Joe Brown and Michael Lansdowne could not stop Haverhill losing 34-19 to Bury St Edmunds III in Eastern Counties Greene King Division Two West.

Jake Jeffs kicked a penalty to put Haverhill ahead, but Bury replied with a converted try.

On 15 minutes, Bury scored a second converted try to make it 14-3, but Jeffs landed a second penalty after 20 minutes.

Haverhill responded as Jeffs passed to the blind side to put in Brown to dive over in the corner to make it 14-11.

The two teams swapped penalties before half time, with Jeffs landing Haverhill's kick for 17-14.

In the second half, Bury scored a converted try before Lansdowne touched down in the corner to reduce the arrears to 24-19, but a penalty and converted try saw Bury seal the win.
